His name is BOZ spelled B-O-Z!

Jump into this world of fun

We do!

They're good at helping everyone
Oh yeah!
And they sing and laugh every day

Our best friend is green,
A bear who loves to share
It's fun to play pretend
and find adventure everywhere

He says, "God's world is amazing,
It's filled with oohs and ahhs."

So come along and join the fun
With a silly friend named BOZ!
The happiest bear you're ever gonna see

His name is BOZ spelled B-O-Z!
His name is BOZ spelled B-O-Z!

Music Makes Me Wanna Jump Around

Angelo Natalie (Giggling Bear Music)

Music makes me wanna jump around

I start dancing when I hear that sound

So, let's pretend we're in a band
Play with me, Give me a hand
Music makes me wanna jump around

Rat-a-tat, rat-a-tat, rat-a-tat, crash!

On the drums all day
Boom badda-boom, badda-boom so low
Bass guitar I'll play

Chang-twang-a-lang, chang-twang-a-lang
Strummin the guitar
Honk, honk, honk on the saxophone
I'm gonna be a star

Music makes me wanna jump around
I start dancing when I hear that sound
So let's pretend we're in a band
Play with me, Give me a hand

Music makes me wanna jump around - to
the sound

You have to jump up before you get down
Music makes me wanna jump around
Jump!

That's Imagination

Angelo Natalie (Giggling Bear Music)

When you drive a race car round and round

That's imagination

When you juggle like a silly clown

That's imagination

When you rule as king with a golden crown

That's imagination

I said that's imagi', that's imagi', that's
imagination

That's imagi', that's imagi', that's
imagination

When you climb a mountain oh so high

That's imagination

When you fly a spaceship to the sky

That's imagination

When you walk upon the moon so bright

That's imagination

I said that's imagi', that's imagi', that's
imagination

That's imagi', that's imagi', that's
imagination

Before this world began
God imagined you
And when He made His plan
God imagined you
All the beauty of creation is the
Work of God's imagination
Everybody sing now ...

NOW!

That's imagi', that's imagi',
that's imagination
That's imagi', that's imagi',
that's imagination

In Our Wonderful World

David Wolf (Smiling Bear Music)

We're learning every day
To find a better way
To make our world a better place to live

In our wonderful world

You and I can make the difference

In our wonderful world

All our dreams can come true

In our wonderful world
God is always with us
In our wonderful world
It's the little things we do
Sharing with each other
Cleaning up our neighborhood
Helping out our parents
Doing things that feel good
Helping all our little friends
And big ones, too!
When we care from our hearts
It feels good for me and you
Side by side here we are
You and I can make the difference
When we do our very best
All our dreams can come true
As we look all around
God is always with us
To make a better place
It's the little things we do
In our wonderful world

You and I can make the difference
In our wonderful world
All our dreams can come true
In our wonderful world
God is always with us
In our wonderful world
It's the little things we do

Get Ready to Exercise

Willy Welch (*Giggling Bear Music*)

You gotta...
Get ready, before you begin
Get your body ready, before you jump in
Stretch your muscles,
Get your body ready with a warm up!
Get ready
Before you begin
Get your body ready
Before you jump in
Stretch your muscles,
Get your body ready with a warm up!

Reach up high!

Go down low!

Touch the sky

Touch your toe!

Wiggle your fingers

Wave your arms around!

And around and around and around!

You gotta...

Get ready

Before you begin

Get your body ready

Before you jump in

Stretch your muscles,

Get your body ready with a warm up!

Shake your hips

From side to side

Scrunch up your face

And open it wide!

Bend your knees

Hop up and down!

NOW YOU'RE DOIN IT!

You gotta...

Get ready, before you begin

Get your body ready

Before you jump in

Stretch your muscles

Get your body ready with a warm up!

You gotta...

Stretch your muscles

Get your body ready

With a warm up!

Read A Book!

David Wolf (Smiling Bear Music)

Read a book

Turn the page

Read some more

See the words

Come alive right before your eyes ever

more

You can hike up a mountain

On a long, long trail

Sail out on the ocean

Hey, look there's a whale!

When you read, read, read,
read... read a book

Read a book
Turn the page
Read some more
See the words
Come alive right before your
eyes ever more

Play baseball all summer
On your favorite team
Or ride on a railroad
You're an engine with steam
When you read, read, read, read...

Cause books can take you anywhere
So many stories we can share---
When you read, read, read, read... read
a book

Read a book
Turn the page

Read some more!

See the words
Come alive right before your eyes ever
more

You can fly to the moon
On a hot air balloon
Or play a guitar

Singin' your favorite tune

When you read, read, read, read... read a book

When you read, read, read, read... read a book

(Why don't we sit down and read)

The BOZ Bounce

Angelo Natalie (Giggling Bear Music)

Come on dance with me, and do the BOZ Bounce
Come on dance with me, and do the BOZ Bounce
Bounce just like your shoes have springs
Jump so high as the music swings,
the BOZ Bounce

Bounce on every beat, let's do the BOZ Bounce
Bounce on every beat, let's do the BOZ Bounce
Pretend you're on a trampoline
The bounciest one you've ever seen,
the BOZ Bounce

Okay everybody, let's show that
the BOZ Bounce
Is a dance that really counts
Here we go! Bounce one time...
Good job!
Bounce two times...
Bounce three times ...

Can you bounce four times?...
It's the bounciest dance around,
the BOZ Bounce

Make your bear ears wiggle, let's do the
BOZ Bounce

Make your bear tail wiggle, let's do the
BOZ Bounce.... Nice wiggling

Now spin around like you're a top
Freeze in place when the music stops ...

Now FREEZE!

OK - let's bounce again

Bounce one time...

Bounce two times...Good job!

Bounce three times... C'mon!

Bounce four times...

We're having bouncy fun

Keep bouncing 'til the song is done

The BOZ Bounce ... keep on bouncing ...
yeah!

At The Grocery Store!

Willy Welch (Giggling Bear Music)

We're in the grocery store
Tell you why

Gotta list of things
We're gonna buy

Shopping...
At the grocery store

A carton of milk
And chocolate, too

We've run out
We'll buy some new

Shopping
At the grocery store

Butter and Cheese
Corn and Peas

A loaf of Bread
And Peanut Butter Spread

The Bakery treats
Are looking sweet

Who could ask for more?

The butcher shop-
Lotsa meat

Fruit and veggies
A healthy treat

Shopping...
At the grocery store

Noodles and sauce -
That's the best

And some paper towels
If we make a mess -

Shopping...
At the grocery store

Rolling down the aisle
Makes me smile

I help to choose -
The things we'll use

Ham for lunch

With chips to munch

That's what shopping's for...

We're in the grocery store
Tell you why

Gotta list of things
We're gonna buy

Shopping...
At the grocery...

Shopping...
At the grocery...

Shopping...
At the grocery store!

Our Imagination Band

Angelo Natalie (Giggling Bear Music)

Let's make a musical sound
With things around the house that
we've found
Pretend you're playing a song
Because we want you to belong to our

Imagination Band
Imagination Band
Come on lend a hand in our
Imagination Band

Just grab a toy and pretend
That it's your favorite band instrument
You can play a guitar
Pots and pans will make you a star...in our

Imagination Band
Imagination Band
Come on lend a hand in our
Imagination Band

Sing and shout, let the music out
For everyone to hear
Move your feet, march to the beat
Then let out a cheer for our

Imagination Band
Imagination Band
Come on lend a hand in our

Imagination Band
Come on lend a hand in our
Imagination Band!

A Friend In Need Is A Friend Indeed

Angelo Natalie (Giggling Bear Music)

A friend who's down... needs a friend around
A friend who's bugged... needs a friendly hug
On a gloomy day ... c'mon ask a friend to play
Because a friend in need ... is a friend indeed
When things go bad... and your friend is sad
Take the lead... do a friendly deed
Bring a friend some cheer...
just by being near
Because a friend in need ... is a friend indeed
When there's a job to do... and your friend
needs you
Remember two heads are ... better
than one by far
Lend a helping hand... show your friend you
understand

Because a friend in need ... is a friend indeed
Yes, a friend in need ... is a friend indeed
A friend who's sick ... needs a friend
real quick

Show your friend you care ... just by being
right there

And in this simple way ... you will brighten up
the day

Because a friend in need ... is a friend indeed

Give A Giggle

Willy Welch (Giggling Bear Music)

Ha-ha, ho-ho, tee-hee-hee!

I know you love to laugh a lot, just like me
Come on, friends, time to follow me

And we'll smile
And laugh
And give a giggle

Tee-hee, ha-ha, HO-HO-HO!
A giggle is the best thing that I know
Makes me want to roll around on the floor

When I smile
And I laugh

And give a giggle

Put a smile on your face

That's a pretty good place

For a smile to go -

Put your face in a smile

And keep it for a while

And laugh like your tickled . . .

Ha-ha, ho-ho, tee-hee-hee!

I know you love to laugh a lot, just like me

Come on, friends, time to follow me

And give a giggle.

Ready,

And give a giggle.

Two for the suds

A rub-a-dub-dub

Splish splash scrubby
Everybody's having-

Rinse that soap-
And the towel feels good

Needs a bath like you

So dive right in
Chase that dirt
Right off of your skin

Washcloth, scrub brush
Everybody's having fun in the tub

Fun in the tub!

Everybody's having-

Rainwonderful World

Willy Welch (Giggling Bear Music)

Looking up and down
Colors all around
A rainbowonderful world
Looking here and there
Color everywhere
A rainbowonderful world

Red on a rose, Purple on a plum

Blue in the deep blue sea

Yellow bananas, Pink bubblegum
And green when you look at me!

Looking up and down
Colors all around
A rainbowonderful world
Looking in and out
Color all about
A rainbowonderful world

Red on an apple, Blue on a bird
Clouds, white as snow can be

Yellow daisies, and Orange balloons
And green when you look at me!

Looking up and down
Colors all around
A rainbowonderful world
Looking here and there
Color everywhere
A rainbowonderful, colorwonderful, rain-
bowonderful world!

We Can Share

David Wolf (Smiling Bear Music)

There are friends in the world like you

and me
And these friends need our help as you
can see

We can share...we can share

Show we care...show we care

We can share...when we do our part

We can give... we can give

When we live...when we live
When we live... with a caring heart

We can share

Share our books and share our toys

Share some clothes or some food

You may find...

When you share, you shine!

Sharing can make you feel good!

We can share...we can share

Show we care...show we care

We can share...when we do our part

We can give...we can give

When we live...when we live

When we live...with a caring heart

We can share...we can share, we can share

We can help make the world a better
place

Or at least bring it one more smiling face

We can share...we can share

Show we care...show we care

We can share...when we do our part

We can give...we can give

When we live...when we live

When we live...with a caring heart

We can share...we can share...

we can share...we can share, we can share

What If?

Willy Welch (Giggling Bear Music)

What if...

The see-saw was a rocket ship

Blasting off to fly away

And circle round the sun

What if...

Our swing became a big balloon

To sail us right up to the moon

In an adventure full of fun

Wouldn't we laugh to see a pink giraffe
Splashing around in a birdie's bath
Making lots of bubbly bubbles as we laugh.
What if, What if, What if...

What if...

The porch became a castle
And Buster was a mighty king
Who wore a fancy crown

What if...

The flowers turned to pinwheels
And changed to different colors
As they spun round and round

What would we do if the tree turned blue
And then caught a cold and sneezed a-choo
And blew a bunch of leaves on top of me
and you

What if, What if, What if...

What if...

A green bear gave you a great big hug
What if, What if, What if...

Veggies Make Me Big and Strong

Angelo Natalie (Giggling Bear Music)

Veggies are beautiful works of art
Put one of every kind in our grocery cart

(spoken) Now let's load it up! Come on!

Gimme, gimme, gimme, gimme, gimme,
gimme my veggies please

Vegetables!

String beans, collard greens, zucchini,
black-eyed peas

Vegetables!

Veggies make me big and strong
That's why I sing this silly veggie song

Tomatoes are round and red and full of
taste

You can eat them raw

Or make them into tomato paste

Corn on the cob is a summer treat

But any time of year corn is great to eat

Gimme, gimme, gimme, gimme, gimme,
gimme my veggies please

Vegetables!

String beans, collard greens, zucchini,
black-eyed peas
Vegetables!

Veggies make me big and strong

That's why I sing this silly veggie song

Carrots can make you fast as a bunny rabbit
Crunching carrots everyday is a healthy
habit

So many kinds of potatoes to make
Fry them, mash them-

Or even bake

Gimme, gimme, gimme, gimme, gimme, gimme
my veggies please
Vegetables!

String beans, collard greens,

Zucchini, black-eyed peas

Vegetables!

Veggies make me big and strong
That's why I sing this silly veggie song

(spoken)

Yummy! Vegetables! Yeah!

What Do You See?

David Wolf (Smiling Bear Music)

Do you see what I see?
Do you see what I see?
When you're lookin at the things
In our colorful world
There's a fun game you can play

With a little 'magination
You can see what you want
Now looking will never be the same!

What do you see
That's different than me?
It's a special thing for everyone

What do you see
That's different than me?
That's what makes imagination fun

Now, what do you see when... you look at
that cloud up in the sky?
Uh... mmm... oh! I see a turtle!

Oooh, and I see an ice cream cone!

Me too!

Good job!
What do you see
That's different than me?

It's a special thing for everyone

What do you see
That's different than me?

That's what makes imagination fun

Okay, now, what do you see when... you look
at the tire swing?

I see a space ship!

Wow!

I see a donut with sprinkles.

Yummy!

Way to go!

So, what do you see
That's different than me?
It's a special thing for everyone

What do you see
That's different than me?
That's what makes imagination fun
That's what makes imagination fun!

Making Lemonade

Angelo Natalie (Giggling Bear Music)

Take lemons... oh so fresh
And sugar... oh so sweet
Mix in water... oh so cold
For a drink that can't be beat
Making lemonade ...
Le le lemonade
we're making lemonade
yes lemonade
Of all the drinks that can be made
We're making lemonade
Making lemonade ...
we love, we love, we love making lemonade
Lemonade
In the sunshine or the shade
We love making lemonade
A lemon all alone
Tastes sour on your tongue
But when you make it lemonade
This sweet song will be sung

Making lemonade ...
Le le lemonade
we're making lemonade
yes lemonade
Of all the drinks that can be made
We're making lemonade
Making lemonade ...
we love, we love, we love making lemonade
Lemonade
In the sunshine or the shade
We love making lemonade
And after we have played
We love making lemonade
